LIBRARY PROFILE

Library and Information Resource:

"Information is Power" as it is the basis of all planning, indeed of all activities, everywhere and for everybody. It has become the base of modernization which, in turn, implies the application of new technologies for advancement in all spheres of human activities. And today, technology applications emerge the most important task for libraries and resource centres to collect, shift process and finally disseminate pinpointed information to its users. The information provided shall be exhaustive, timely, error free and economical.

Mission:

The mission of the library is to provide excellent information resources and deliver quality services and facilities to meet the research, teaching and learning needs of College. The library is to facilitate creation of new knowledge through acquisition, organization and dissemination of knowledge resources and providing for value added services.

The main objectives of the library is to support the educational & research programmes of the college by providing physical and intellectual access to

information, consistent with the and the anticipated educational and research function of the college.

Goals:

- To provide effective, responsive and innovative services.
- Utilize library and information technology innovatively and appropriately.
- Develop and maintain effective and efficient infrastructure to provide and deliver information.
- Support and enhance teaching and learning processes by delivering and promoting the effective use of information resource.
- To provide a well organized collection of books and periodicals which meets the needs of students and faculties in order to support the courses, programmes and degrees offered.
- To maintain a current and useful library collection reflecting the needs of courses and programmes.

Working Hours:

The library is open 8.00 hours. On Sunday library is closed. The library remains closed on all Gazetted holidays. Lending services are available Monday to Saturday 8.30AM to 4.30 PM.

Total Library Collection:

The library has total collection 7686 printed volumes including textbooks, reference books, and other reading books. Books are organized subject wise on open access shelves.

Reference Collection:

There are 2641 volumes in the library. While most books are available for loan books. Encyclopedias, Dictionaries, Periodicals, and Rare copies of books can be consulted within the library. Subject to copyright regulations reference materials can be photocopied. Photocopy service is available in the College Office.
