Yes
E learning has more effective advantage like self-paced learning effective results quick lessons delivery help student stay relevant in quickly chenging environment etc. But rural areas internet problem
E-learning has more effective advantages,like self-paced learning,effective results,quick lessons delivery,help students stay relevent in quickly changing enviornment etc.but rural areas have internet problems

Teching & learning use computer & other material

Please provide best administrative office and sports facility

Teachers always supported us always give 100% to every student

The experience is very nice.

Good but need to improve another steps

Very good, I like education management

Developing in skill

Require electricity for better experience in digital learning

I don't have any doubt

E-Learning has more effective advantages, like self-paced learning, effective results, quick lessons delivery, helps students stay relevant in quickly changing environment etc. But rural areas have internet problems

E-lerning has more effective advantags,like self -paced learning ,effective results quick lessons delivery,help students stay relevant in quickly changing environment etc.but rural areas have internet problems

Suggesthions

Teaching learning qulity very good

Please give us wiFi facility

No suggestions

This learning process is not very effective than any other method we use daily. Try to make presentation based material for students

Teachers are very best

Teacher are very good response

Want more practical knowledge through field visit

Every thing excellent

Yeah of course

Nothing should be change

Sports

Techar is very good tiching

Teaching well..And every time to support tu all student for participate in all types off progrms.

Teacher Get support to students for Other University level acitivities

Visit opportunities

None

Very Good

No.

Teacher

No observation

E-learning is more effective advantage like to self-pacad effective results quick lessons delivery help

students saty relevant in quickly changing environment etc.But rural areas have internet problem.

Very good

My experience a good . And werry exlent.

Excellent

Ok
