Dear Scholars & Academicians,

It is our privilege to invite you all in the area of Academicians, Professionals, and Experts to participate in the National Conference on “*Education, Culture, History, Literature, Laws & Society: A Perspectives of Innovative Research In 21st Century*” to be held at Shri. Manohar Hari Khapane College of Arts & Commerce, Pachal- Raypatan (Tal. Rajapur) Dist. Ratnagiri.

In the 21st century, the intricate interplay between education, culture, history, literature, laws, and society presents unprecedented opportunities for innovative research. As globalization accelerates and technology reshapes the human experience, these interconnected domains demand a multidisciplinary approach to address contemporary challenges. Education is being transformed by artificial intelligence, virtual reality, and equitable access initiatives, while culture faces the dual forces of preservation and hybridization in an increasingly globalized world. Historical narratives are being reexamined through the lens

of marginalized voices, supported by digital archives and AI tools, reshaping our collective memory. Literature evolves as a dynamic medium for activism, cross-cultural dialogue, and experimental storytelling in the digital age. Meanwhile, legal frameworks grapple with issues such as AI governance, climate justice, and human rights, striving to adapt to a rapidly changing world. At the heart of society, innovative research into urbanization, sustainability, and inclusivity seeks to build resilient communities. By embracing interdisciplinary insights and technological advancements, researchers can illuminate pathways to understanding and addressing the complexities of our era.

The papers may be in English, Hindi or Marathi languages. The papers should be sent as mentioned in the guidelines. The research paper may fall under the mentioned themes. However, researchers are free to submit papers beyond these themes but must be related to Education, Culture, History, Literature, Laws & Society: A Perspectives of Innovative Research in 21st Century. Selected papers will

be published in Peer Review, Referred International journal of Research Studies and ISBN Book. Selected paper will be published in Scopas Journal.
