

Women's Development Cell

MOTTO

The Women Development Cell (WDC) aims to promote awareness on gender equality and gender sensitization in the society and among students in particular. Towards this end, the students are encouraged to undertake various research projects, participate in debates and awareness campaigns. In keeping with the goal of women empowerment, the cell conducts self-defense programs for girl students and operates a Grievance Cell for urgent and effective handling of any gender related issues. The WDC seeks to encourage girl students to work towards their personal and social development. The Cell aims in particular at sensitizing the student community to issues relating to the female gender. The role of the Cell is to equip the students with the requisite awareness and self-confidence, which in turn would allow them to take their rightful place in the society.
